Join Paul Jenkins and Jae Lee, two visionary creators, as they unravel the intricate tapestry of the Inhumans' world in this captivating graphic novel, spanning the years 1998 to 1999. Witness the rise and fall of kingdoms, the clash of wills, and the unyielding bonds of family as the Inhumans navigate the treacherous waters of their destiny.

Unleashing the Latent Potential

Within the secluded city of Attilan, nestled high upon the Himalayas, the Inhumans have forged a haven for themselves. Yet, their sanctuary is constantly threatened by the outside world, eager to exploit their formidable abilities. In the face of adversity, the Royal Family stands united, each member wielding unique powers that defy the boundaries of human imagination.

Medusa, the queen, commands lustrous hair that can pierce through steel, while her sister Crystal manipulates the elements, summoning earthquakes and controlling the tides. Triton, the aquatic prince, possesses superhuman speed and strength beneath the waves. And Karnak, the strategist, can pinpoint the flaw in any object or being, rendering them vulnerable to his devastating strikes.

A Tapestry of Intrigue and Betrayal

As the Inhumans face external threats, internal strife also weaves its insidious web. Maximus, the ambitious brother of Black Bolt, hungers for power and plots to seize the throne, using his cunning and manipulative tactics to divide the Royal Family. Alliances are tested, loyalties questioned, and the bonds of brotherhood strained to their limits.

Against this backdrop of intrigue, betrayal, and power struggles, the Inhumans must confront their own moral dilemmas. Can they harness their powers for the greater good without succumbing to the lure of corruption? Or will their destiny be marred by the shadows of their own making?
