Meet Ember, the Germ-Fighting Dragon

Join Ember, an adorable green dragon with a fiery spirit and an even fierier determination to protect his friends from germs. As Ember sets out on an exciting adventure, he encounters a cunning villain by the name of Gemy, a mischievous microbe intent on spreading his slimy ways throughout Dragonia.

With the help of his wise mentor, Dr. Scales the dragon doctor, Ember learns the importance of washing his claws, staying away from sick dragons, and using his "dragonbreath sanitizer" to keep the germs at bay. Children will be enthralled by Ember's heroic journey as he discovers the power of good hygiene and the impact it has on his well-being and the well-being of those around him.

Teaching Hygiene in a Fun and Engaging Way

"Do Not Let Your Dragon Spread Germs" is not just a story; it's a germ-busting guidebook for young explorers. Through engaging rhymes and

captivating illustrations, children learn the basics of hygiene in a fun and memorable way. Each page is filled with valuable lessons, such as:

- The importance of washing hands with soap and water
- How to avoid spreading germs when coughing or sneezing
- The benefits of staying home when sick
- The role of sanitizer in keeping germs away
- The importance of healthy habits for dragons and humans alike

A Perfect Bedtime Story for Germ-Conscious Kids
