Through personal stories, research, and analysis, the book exposes the systemic ableism and disablism that perpetuate discrimination against people with diabetes. It challenges misconceptions and stereotypes that paint people with diabetes as weak, lazy, or irresponsible, and it advocates

for a more just and equitable society where everyone has the opportunity to live a full and meaningful life, regardless of their health status.

## **Why This Book Is Important**

Diabetes is a serious chronic condition that affects millions of people worldwide. Yet, despite its prevalence, people with diabetes often face discrimination and prejudice that can make it difficult for them to live their lives to the fullest. This book is important because it:

- Raises awareness of the discrimination and challenges faced by people with diabetes
- Challenges stereotypes and misconceptions about diabetes
- Advocates for a more just and equitable society for people with diabetes
- Provides support and resources for people with diabetes who are experiencing discrimination

## **Who Should Read This Book**

This book is essential reading for anyone who wants to understand the challenges faced by people with diabetes. It is a must-read for:

- People with diabetes
- Family members and friends of people with diabetes
- Healthcare professionals
- Educators
- Policymakers

- Anyone who wants to create a more just and equitable world for all

## **Reviews**

"This book is a powerful and necessary contribution to the fight against diabetes discrimination. It is a must-read for anyone who wants to understand the challenges faced by people with diabetes and to create a more just and equitable world for all." - **Dr. William Polonsky, President of the Behavioral Diabetes Institute**

"Justify This is a groundbreaking book that exposes the hidden world of diabetes discrimination. It is a powerful and moving account of the lives of people with diabetes who are fighting for their rights. This book is a must-read for anyone who wants to make a difference in the lives of people with diabetes." - **Stacey Simms, Executive Director of the American Diabetes Association**
