When a series of gruesome murders rocks the sleepy community, Detective Jack Hartigan is called to investigate. As he delves deeper into the labyrinthine corridors of the hotel, he uncovers a chilling pattern. Each victim, seemingly unrelated, met their demise within the hotel's cursed walls.

Hartigan soon realizes that he is dealing with no ordinary killer. The perpetrator is a master of disguise, leaving behind no trace of their identity. As the body count rises, Hartigan finds himself drawn into a deadly game of

Working alongside forensic psychologist Emily Carter, Hartigan pieces together a psychological profile of the killer. They discover a mind tormented by darkness, a psychopath with an insatiable thirst for blood. The closer they come to unmasking the killer, the more danger they find themselves in.

In a heart-stopping climax, Hartigan and Carter confront the killer in a final showdown that will determine the fate of innocent lives. But can they outwit a predator who seems to possess supernatural powers? Or will they become the next victims in the chilling legacy of The Whitecap Hotel?
