This book will teach you everything you need to know about fighting zombies, from the basics of combat to the advanced tactics of urban warfare. With New Rules For Firefighters, you'll be able to survive the zombie apocalypse and come out on top.

## The Basics of Combat

The first step to surviving the zombie apocalypse is to learn the basics of combat. This includes learning how to use weapons, how to move in

combat, and how to fight in close quarters.

New Rules For Firefights will teach you everything you need to know about the basics of combat. You'll learn how to use a variety of weapons, including firearms, melee weapons, and improvised weapons. You'll also learn how to move in combat, how to take cover, and how to fight in close quarters.

### **Advanced Tactics of Urban Warfare**

Once you've mastered the basics of combat, you'll need to learn the advanced tactics of urban warfare. This includes learning how to fight in buildings, how to clear rooms, and how to use cover to your advantage.

New Rules For Firefights will teach you everything you need to know about the advanced tactics of urban warfare. You'll learn how to fight in buildings, how to clear rooms, and how to use cover to your advantage. You'll also learn how to use terrain to your advantage, and how to coordinate with other survivors.

### **The Zombie Threat**

The zombie threat is real, and it's coming for you. New Rules For Firefights will teach you everything you need to know about the zombie threat, including their strengths, their weaknesses, and their tactics.

With New Rules For Firefights, you'll be able to identify zombies, track their movements, and avoid their attacks. You'll also learn how to kill zombies, and how to protect yourself from their bites and scratches.

### **The Ultimate Guide to Surviving the Zombie Apocalypse**

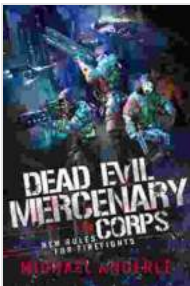

New Rules For Firefights: Dead Evil Mercenary Corps is the ultimate guide to surviving the zombie apocalypse. This book will teach you everything you need to know about fighting zombies, from the basics of combat to the advanced tactics of urban warfare.
