The mercenaries decided to form their own unit, and they vowed to fight only for causes that they believed in. They would not fight for money or for power. They would only fight for the right to die.

The Dead Evil Mercenary Corps has quickly become one of the most feared and respected mercenary units in the world. They have fought in some of the most dangerous conflicts, and they have always emerged victorious.

The mercenaries are not afraid to die, but they are not suicidal. They know that they can't win every battle, but they are determined to die fighting for what they believe in.
