Set against the backdrop of World War I, *On Remembrance Day* tells the story of Sarah, a young woman who is haunted by the memory of her lost love, Tom. Tom was killed in action just a few months before the end of the war, and Sarah has never been able to move on. She spends her days wandering through the streets of London, lost in her grief. One day, she meets an elderly man who tells her that he knew Tom, and that he has a letter that Tom wrote to her before he died.

Sarah is hesitant to read the letter, but she eventually agrees. The letter is full of love and longing, and it breaks Sarah's heart all over again. But it also gives her a sense of closure. She finally understands why Tom died, and she is able to start to move on with her life.

On Remembrance Day is a beautifully written and deeply moving novel. Lucy's prose is lyrical and evocative, and she brings the characters and setting to life in vivid detail. The novel is full of heartbreak, but it is also ultimately a story of hope and redemption.

If you are looking for a book that will stay with you long after you finish reading it, I highly recommend *On Remembrance Day*. It is a powerful and unforgettable story that will touch your heart and make you think about the true meaning of Remembrance Day.

About the Author

Janet Lucy is a British author of historical fiction. She has written several novels, including *The Secret of the Nightingale* and *The House on the Cliff*. Lucy's novels are known for their strong characters, evocative settings, and emotionally resonant stories.
