In the beginning, God created the heavens and the earth. And it was good.

These words from the book of Genesis set the stage for Otter Passover, a lyrical exploration of the natural world through the lens of Jewish tradition. Blending poetry, prose, and stunning photography, this book invites readers to connect with the beauty and wisdom of the natural world.

Otter Passover is a journey through the Jewish calendar, from the High Holidays to Passover to Shavuot. Each chapter explores a different aspect of the natural world through the lens of a Jewish holiday. For example, the chapter on Rosh Hashanah, the Jewish New Year, explores the theme of new beginnings. The chapter on Passover, the Jewish holiday of freedom,

explores the theme of liberation. And the chapter on Shavuot, the Jewish holiday of receiving the Torah, explores the theme of wisdom.

Through its rich blend of text and images, *Otter Passover* offers a unique perspective on the natural world. The book's stunning photography captures the beauty of the natural world, from the delicate wings of a butterfly to the vast expanse of a starry night. The book's lyrical prose explores the spiritual and emotional connections between humans and the natural world. Together, the text and images create a powerful and moving experience that will leave readers with a deep appreciation for the beauty and wisdom of the natural world.

Otter Passover is a book for all who love nature, for all who are interested in exploring the Jewish tradition, and for all who are seeking a deeper connection to the world around them.

Reviews

"*Otter Passover* is a beautiful and inspiring book that will appeal to readers of all faiths. Its lyrical prose and stunning photography capture the beauty and wisdom of the natural world, and its exploration of the Jewish calendar through the lens of nature is both unique and insightful. This book is a must-read for anyone who loves nature, Judaism, or simply beautiful writing."

- Rabbi Lawrence Kushner, author of *The Book of Letters* and *God Was in This Place, and I, I Did Not Know*

"*Otter Passover* is a lyrical and moving exploration of the natural world through the lens of Jewish tradition. With stunning photography and

evocative prose, this book invites readers to connect with the beauty and wisdom of the natural world. Otter Passover is a book that will stay with you long after you finish reading it."

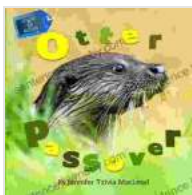

- Bill McKibben, author of *The End of Nature* and *Eaarth*

"Otter Passover is a beautiful and inspiring book that will appeal to readers of all faiths. Its lyrical prose and stunning photography capture the beauty and wisdom of the natural world, and its exploration of the Jewish calendar through the lens of nature is both unique and insightful. This book is a must-read for anyone who loves nature, Judaism, or simply beautiful writing."

- Rabbi Alana Suskin, author of *The Five Books of Miriam* and *Waking the Spirit*
