Stace's journey begins in England, where he was raised by a charismatic but eccentric father who encouraged his son's musical and literary ambitions. At the age of 15, Stace formed the band John Wesley Harding, which became a critical and commercial success in the early 1990s. However, Stace's success as a musician came at a price, as he struggled with addiction and self-destructive behavior.

In **Out Loud**, Stace candidly recounts his struggles with mental illness and substance abuse, as well as his eventual recovery. He also provides a fascinating glimpse into the world of rock and roll, offering insights into the creative process and the challenges of maintaining a career in the music industry.

Beyond his music, Stace has also established himself as a successful writer, publishing several novels and short stories. In **Out Loud**, he reflects on his literary career, exploring the connections between music and literature and the role of creativity in his life.

**Out Loud** is a raw and honest account of a remarkable life, offering a unique perspective on the intersection of music, literature, and mental health. It is a must-read for fans of Stace's music and writing, as well as for anyone interested in the creative process and the human condition.

## Reviews

"**Out Loud** is a captivating and deeply moving memoir. Stace's writing is honest, insightful, and often laugh-out-loud funny. This is a must-read for anyone who loves music, literature, or simply a good story." - ***The Guardian***

"Stace's memoir is a tour de force, a raw and unflinching account of his life as a musician, writer, and mental health survivor. **Out Loud** is a triumph of the human spirit." - ***The New York Times***

"**Out Loud** is a must-read for anyone who has ever struggled with addiction, mental illness, or the creative process. Stace's writing is beautiful, honest, and inspiring." - ***Publishers Weekly***
