## About the Book

This book offers an in-depth exploration of the burgeoning field of performance media art, examining its history, aesthetics, and its impact on contemporary culture. Through 21 essays written by leading scholars and artists in the field, the book provides a comprehensive overview of this exciting and rapidly evolving genre.

The essays cover a wide range of topics, including the history of performance media art, its relationship to other art forms, its use of new technologies, and its impact on social and political issues. The book also includes a number of case studies of specific performance media art works, providing readers with a concrete understanding of how this genre is used in practice.

Whether you are a scholar, artist, or simply someone who is interested in the cutting-edge of contemporary art, this book is an essential resource. It provides a comprehensive overview of the field of performance media art, and it offers a deep understanding of its history, aesthetics, and impact.

## Table of Contents
