SLAM: YOU'RE GONNA WANNA HEAR THIS is the uncensored story of punk rock legend Slam Suliman, from his early days as a street kid in Brooklyn to his rise as one of the most iconic frontmen in the industry.

Born in Brooklyn in 1958, Slam Suliman was destined for a life of crime. But when he discovered punk rock, he found a new way to express himself. In 1977, he formed the band The Fists, who quickly became one of the most popular punk bands in New York City.

The Fists' music was raw, angry, and political. They sang about the problems of the working class, the dangers of drug abuse, and the hypocrisy of the government. Their songs resonated with young people all over the country, and soon The Fists were one of the most popular punk bands in the world.

But Slam's success came at a price. He struggled with drug addiction and mental illness, and his relationships were often tumultuous. In 1985, The Fists broke up, and Slam's career seemed to be over.

But Slam didn't give up. He eventually got sober, and in 1996, he formed a new band, Slam Suliman and the Cheapskates. The Cheapskates played a more mature and sophisticated brand of punk rock, but they still had the same raw energy and passion as The Fists.

Slam Suliman is a true punk rock legend. He has been through hell and back, but he has never lost his passion for music. **SLAM: YOU'RE GONNA WANNA HEAR THIS** is his uncensored story, and it is a must-read for any fan of punk rock or rock music in general.

Praise for SLAM: YOU'RE GONNA WANNA HEAR THIS

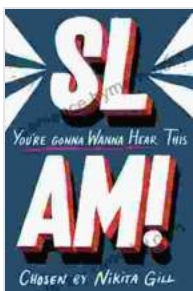

"Slam Suliman is a true punk rock icon. His story is one of triumph and tragedy, and it is a must-read for any fan of the genre." -**Henry Rollins**

"Slam Suliman is one of the most honest and authentic voices in punk rock. His story is both heartbreaking and inspiring, and it is a must-read for anyone who wants to understand the true spirit of punk." -**Debbie Harry**
