An Epic Military Science Fiction Novel

In the vast expanse of space, where the stars twinkle like diamonds and the void stretches endless, there exists a realm of endless conflict. The Galactic Federation, a beacon of peace and stability, finds itself embroiled in a war that threatens to tear it apart.

Amidst the chaos, a young woman named Emma Kurther emerges as a beacon of hope. A brilliant strategist and a skilled warrior, she is tasked with

leading the Federation's forces against an implacable enemy: the Kurtherians.

As Emma and her allies fight for survival, they uncover a sinister plot that threatens not only the Federation but the entire galaxy. In a desperate race against time, they must unravel the truth and find a way to stop the Kurtherians before it's too late.

A Gripping Story of War, Diplomacy, and the Human Condition

Sued For Peace is more than just a military science fiction novel. It is a story that explores the complexities of war, diplomacy, and the human condition.

Through the eyes of Emma Kurther and her fellow soldiers, readers will witness the horrors of war and the sacrifices that must be made. They will also see the power of hope and the resilience of the human spirit.

Sued For Peace is a thought-provoking and emotionally resonant novel that will stay with readers long after they finish reading it.
