**What Works on Wall Street** is the classic guide to the best investment strategies for any market environment. This newly revised and updated fourth edition includes the latest research on investing, as well as new insights from the author's decades of experience on Wall Street.

In this book, you'll learn:

- The 10 essential rules of investing
- How to select the right investments for your goals
- How to manage your risk
- How to make the most of market volatility

- How to avoid the common mistakes that investors make

**What Works on Wall Street** is the essential guide for anyone who wants to achieve financial success.

### **What's New in the Fourth Edition**

The fourth edition of **What Works on Wall Street** has been updated to include the latest research on investing. This includes new insights on:

- The impact of technology on investing
- The changing global economy
- The role of behavioral finance in investing

The fourth edition also includes new case studies and examples to help you apply the principles of the book to your own investing.

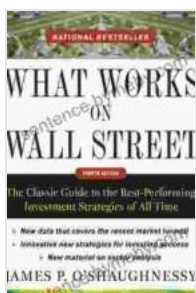

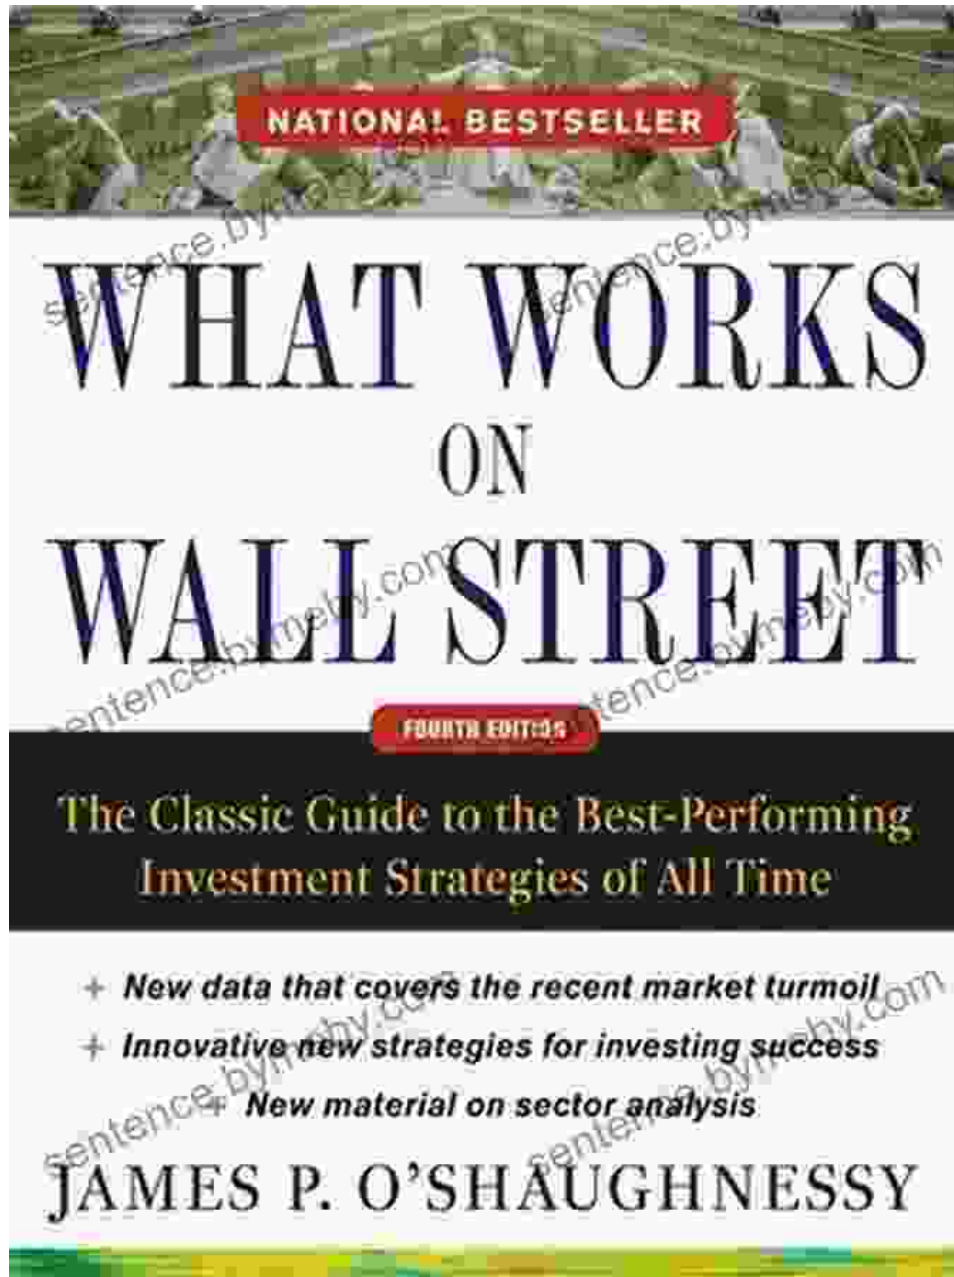

### **About the Author**

James P. O'Shaughnessy is a nationally recognized expert on investing. He is the author of several books on investing, including **What Works on Wall Street** and **The Nine Rules of Investing**. O'Shaughnessy is also the founder and CEO of O'Shaughnessy Asset Management, a global investment management firm.
