- **Healthcare:** The pandemic has highlighted the importance of healthcare, and demand for healthcare services is expected to increase in the years to come.
- **Technology:** The pandemic has accelerated the adoption of technology, and companies that provide technology solutions are expected to benefit.
- **E-commerce:** The pandemic has forced consumers to shop online, and e-commerce is expected to continue to grow in the post-pandemic world.
- **Logistics and transportation:** The pandemic has disrupted global supply chains, and companies that can provide efficient logistics and transportation services are expected to benefit.
- **Sustainability:** The pandemic has raised awareness of the importance of sustainability, and companies that focus on sustainability are expected to be successful in the long run.

## The Losers

The following industries are expected to struggle in the post-pandemic world:

- **Retail:** The pandemic has accelerated the decline of brick-and-mortar retail, and many retailers are expected to close their stores in the coming years.
- **Tourism and hospitality:** The pandemic has devastated the tourism and hospitality industry, and it is expected to take years for this industry to recover.

- **Entertainment:** The pandemic has forced many entertainment venues to close, and it is unclear when these venues will be able to reopen.
- **Manufacturing:** The pandemic has disrupted global supply chains, and many manufacturers are struggling to keep up with demand.
- **Oil and gas:** The pandemic has reduced demand for oil and gas, and this industry is expected to struggle in the coming years.

## **How to Position Yourself for Success**

If you want to succeed in the post-pandemic world, it is important to position yourself in a winning industry. You should also focus on developing skills that are in high demand, such as data analysis, artificial intelligence, and digital marketing.

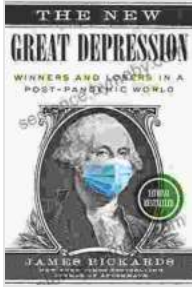

In addition, you should consider investing in companies that are poised for success in the post-pandemic world. This book provides a list of recommended investments, as well as tips on how to research and evaluate investment opportunities.

The COVID-19 pandemic has created a new economic landscape, and it is important to be prepared for the changes that are coming. By understanding the winners and losers in the post-pandemic world, you can position yourself for success and thrive in the new economy.
